

re|engage

A better marriage starts here.

A safe place to reconnect, reignite or resurrect your marriage.

Would you like to make your marriage better? Does it need to be reignited? Does it require a complete resurrection? No matter the condition of your marriage, re|engage can help you and your spouse grow in your relationship—*together*.

You and your spouse will find encouragement and support from others in large group times, and in small group settings alongside other couples desiring to strengthen their marriage. You'll get to hear real stories from couples who have experienced God's faithfulness through the ups and downs of marriage.

Every marriage can benefit from re|engage, whether you are struggling to get along, your marriage seems broken or you simply want to grow closer together.

Tuesdays, Jan. 30 – May 14 | 6:30–8 p.m.

Wooddale Church – Eden Prairie | Room 105

\$75 per couple

*Childcare available for birth–grade 4
at an additional cost*

Registration closes January 23

What does a typical re|engage night look like?

- The January 30, 2024 session is a kickoff event where you will get to know other couples and receive your workbook.
- Each session typically begins with either a lesson on a marriage-related subject or a story from a couple about their journey together.
- After the combined large group time, you and your spouse will join a closed group with 4-5 couples and a facilitator couple.

Does re|engage work?

Thousands of couples have benefited from re|engage. Real change requires more than applying a few marriage tips for a quick fix. Some struggles will always exist no matter how long we have been married. But, we can find freedom in our lives and marriages through a relationship with Jesus Christ and learning biblical principles.

Will what I share be kept confidential?

All participants are asked to ensure that what is discussed in the small group stays in the group. To provide a safe environment, the facilitators have committed to not sharing details discussed in the group, except as needed to prevent physical, emotional or spiritual injury.

How much time is required to be part of re|engage?

Completion of the curriculum will take approximately 30-45 minutes each week. The time required will vary for each couple.
